

## 17th EIG Conference

EDGE HILL UNIVERSITY, LANCASHIRE : 5th - 8th SEPTEMBER 2012

5 September					
	: COI	NFERENCE DAY 1 (Field Trips and Arrival)			
12.00 to 17.00	Exhibito	ors set up			
14.00 to 18.30	Recepti	on and key collection (Performing Arts building)			
		ker Reception (Faculty of Health)			
20.30	Icebrea	ker close: Dinner venues available in Ormskirk. See website for list of establishments			
21.00	Doors c	lose on Icebreaker venue			
6 September	: COI	NFERENCE DAY 2			
07.30	Breakfa				
07.00 to 08.00					
		on and key collection (Faculty of Health)			
		ers briefing and presentation check			
00.10 10 00.40		E THEATRE H1			
9.00		e and Introduction: Craig Arditto, EIG 2012 Conference Chairman			
9.10	Openino	a Address:			
		Steve Igoe. Pro Vice-Chancellor (Resources) of Edge Hill University			
9.15	Kevnote Title	Presentation The National Planning Policy Framework and its effect on the minerals industry in the U	ıv		
7.15	Author	Ken Hobden	·K		
9.40		2012 Kevnote 'Ansel Dunham' Lecture			
		A once and future extractive history of Britain  Andrew Bloodworth			
10.15		1 : Geotechnics			
		Presentation			5
10.15	Title Author	The role, purpose and aim of Quarries National Joint Advisory Committee (QNJAC) and Viv Russell	its Geote	ecnnicai	, Face and stockpile Operations Subcommittee
10.40	Title	A practical approach to rockfall management			
	Author	Simon Collins			
11.05 to 11.30					
11.30	Session Title	2 : Local Geology The Geology and Mineral Resources of North West England			
	Author	Geoff Thomas			
11.55	Title Author	A whistle stop tour of Lancashire's Mineral Wealth – past. present and future.  Catherine Lewis			
12.20	Author Title	Williamson Tunnels, Edge Hill, Liverpool: An example of Georgian and early Victorian qu	uarry res	toration	1
	Author	Gerry Lucas			
12.45 to 13.45		with opportunity to view trade stands and posters			
40.45		E THEATRE H1			E THEATRE H2
13.45 13.45		3 : Environmental  Low cost quarry management producing high gain biodiversity: Using GIS to quantify	13.45		4 : Aggregates- Sand & Gravel  A new sand and gravel map for the UK Continental Shelf to support sustainable
13.45	Title	effective quarry management regimes that tick all the sustainability boxes at a price	13.45	Title	planning
		vou can afford			
14.10	Author Title	Gerry Lucas The Business of Geodiversity.	14.10	Author Title	Tom Bide Defining Sand and Gravel Deposits - the use of Electrical Resistivity Imaging (ERI) and
14.10			17.10		other Geophysical Tools
	Author	Tom Clifford		Author	Barry Balding
14.35		SETARMS – Sustainable and environmental treatment and re-use of marine sediment	14.35		River terrace sand and gravel volume determination using three-dimensional electrical
	446	Floorer Ver Ver		446	resistivity tomography
15.00 to 15.30		Eleanor Van-Veen fee - with opportunity to view trade stands and posters		Author	John Chambers
15.30		5 : Hydrogeology (Karstic)		Session	6 : Industrial Minerals
15.30		Quarrying and Karstic Hydrogeology; The Challenges of Conceptualisation, Assessment			Industrial waste material: a rare earth element resource?
	Author	and Mitigation Alan Edwards		Author	Alex Finlay
15.55	Title	Are your groundwater monitoring boreholes deep enough – a case study at Lafarge	15.55		Stone Mining on the Isle of Portland
		Cement's Cauldon Limestone Ouarry			-
16.20	Author Title	Stephen Barnes Deepening of Torr Quarry – Assessing the Hydrogeological Impacts	16.20	Author	Mark Godden Sustainability and economic drivers in the UK Brick Manufacturing Sector; Past Present
10.20		beepering or rorr quarry rissessing the right ogeological impacts	10.20		and Future
	Author	Stephen Hobbs		Author	Andrew Smith
14 25	LECTUR	E THEATRE H1			
16.35	LECTUR Title				
17.00	Title Author EIG Ann	E THEATRE H1 Impact of changes to water related legislation upon the Extractive Industry Duncan Wardrop ual General Meeting - all invited			
17.00 18.30 to 19.30	Title Author EIG Ann Pre-Din	ETHEATRE H1 Impact of changes to water related legislation upon the Extractive Industry Duncan Wardrop usal General Meeting - all invited ner Drinks Reception (Sage Hall Quadrangle) - Music from 18.45			
17.00 18.30 to 19.30 19.30 to 01.00	Title Author EIG Ann Pre-Din Confere	E THEATRE H1 Impact of changes to water related legislation upon the Extractive Industry Duncan Wardroo ual General Meeting - all invited ner Drinks Reception (Sage Hall Quadrangle) - Music from 18.45 nce Dinner (Sage Hall - followed by bar until late in Hale Hall)			
17.00 18.30 to 19.30 19.30 to 01.00 7 September	Title Author EIG Anr Pre-Din Confere : CON	E THEATRE H1  Impact of changes to water related legislation upon the Extractive Industry  Duncan Wardroo  ual General Meeting - all invited ner Drinks Reception (Sage Hall Quadrangle) - Music from 18.45  nce Dinner (Sage Hall - followed by bar until late in Hale Hall)  IFERENCE DAY 3			
17.00 18.30 to 19.30 19.30 to 01.00 7 September 07.30 to 09.00	Title Author EIG Ann Pre-Din Confere : CON	ITHEATRE H1 Impact of changes to water related legislation upon the Extractive Industry Duncan Wardroo wal General Meeting - all invited ner Drinks Reception (Sage Hall Quadrangle) - Music from 18.45 nce Dinner (Sage Hall - followed by bar until late in Hale Hall) IFFERENCE DAY 3 st			
17.00 18.30 to 19.30 19.30 to 01.00 7 September	Title Author EIG Ann Pre-Din Confere : CON Breakfa Registra	ETHEATRE HI Impact of changes to water related legislation upon the Extractive Industry Duncan Wardroo usal General Meeting - all invited nee Drinks Reception (Sage Hall Quadrangle) - Music from 18.45 nee Dinner (Sage Hall - followed by bar until late in Hale Hall)  WEERINGE DAY 3 st
